STATEMENT OF SALE MANAGER:

In behalf of the Officers, Directors and Membership of the Southeastern Shorthorn and Polled Shorthorn Breeders Association, I personally invite you to attend their Spring Sale to be held Saturday, March 15, 1975, at the Sales Pavilion located on the campus of the University of Georgia, Athens, which is situated adjacent to the Coliseum.

This is the second such event held by the current organization whose membership is providing some head of Shorthorn and Polled Shorthorn for their Spring Sale. If you are interested in starting a herd or adding to your current herd, in this sale—you should be able to find foundation seed-stock of suitable quality, which represents nationally-known bloodlines from progressive breeders throughout the Southeast.

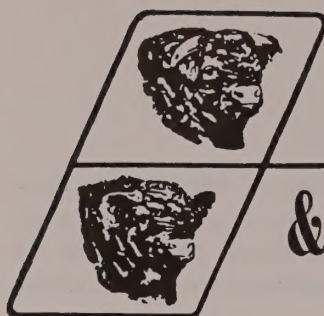

There will be herd bulls and likely prospects among the bulls selling. You may expect high quality females, including both bred and open heifers. There will be a few cows with calves at side.

Shorthorns and Polled Shorthorns are being sought by livestock men throughout the nation in the establishment of new herds and the expansion of present herds. This behooves all Shorthorn and Polled Shorthorn enthusiasts to join in this promotional event for the breed by attending this sale.

You are invited to attend a Dutch dinner and meeting Friday, March 14, on the eve of the sale, commencing at 7 o'clock at the sale headquarters. I anticipate the pleasure of seeing you there and at the sale next day. If I can be of service to anyone, before or during the sale, please contact me.

Sincerely yours,

BOX 88

SHELBY, NORTH CAROLINA 28150

(704) 487-5697

It was a very hard decision for me to make, but I find it necessary to dispose of my herd of Shorthorns. My herdsman had a heart attack a few months ago and at my age I could not carry on the work necessary to take the proper care of the herd.

For a number of years I have been eliminating any cattle that were not up to the high quality that would meet my requirements. I am consigning about one-half of the herd to the Southeastern Sale in Georgia and the other half to the North Carolina Sale in Statesville. Both sales will be held in March.

You can ote from the breeding shown on the following pages that the blood lines of these cattle are from some of the best sires and females that ever existed.

These cattle will be taken right out of the pasture and sent to the sales, but you can judge for yourself that they will be a credit to the herd of any Shorthorn breeder.

Sincerely,

FAIR VIEW FARMS
